An ISO 9001:2008 Certified Co.

About us

EMPIRE COMPONENTS (P) LTD. is a hightech Enterprise specialized in development, production and sales of Auto parts. The manufacturing standards of all our parts are very high and ensure the maximum degree of safety under all climatic conditions. Our products are exported to more than 27 countries world-wide.

Quality Policy

We are committed to manufacture, supply and export Auto components to the entire satisfaction of Customers. Our aim is to progress through Continual Improvement in Quality & Productivity.

This is achieved through :

- Meeting the exact requirements of Quality & Productivity consistently.
- On time delivery.
- Building a Competent Work Force.
- Setting & reviewing quality objectives in every department.
- Effective Implementation of Quality Management System based on ISO 9001:2008 requirements.
